OUR STORY AND LASALLIAN TRADITION

Over 300 years ago, Saint John Baptist de La Salle began his quest to redefine learning. Together with a worldwide network of millions of Lasallian students and educators, we are proud to bring his spirit of love, care, service, and excellence to students of the 21st century.

La Salle College Preparatory was founded in 1956 as a Catholic school for boys and transitioned to a co-ed school during the 1991-1992 school year. Today, we serve the greater San Gabriel Valley area as the only co-educational and Catholic high school in Pasadena.

Each and every day, we work to offer our community of curious and capable students opportunities that develop and nurture personal growth through exploration and discovery.

ENROLLMENT

La Salle maintains its Catholic distinctiveness with approximately **two-thirds** of La Salle's entering freshman class acceptances being of the Catholic faith. Additionally, 30% of our students are from low-income families and receive full or part-tuition assistance through the San Miguel and Brother Celestine Scholarship funds.

COLLEGE MATRICULATION

In the past four years, over 98% of our graduates entered college upon graduation, with 86% attending four-year universities and 35% attending out-of-state universities. Visit lasallehs.org/matriculation for a list of colleges La Salle alumni are attending.

ACCREDITATIONS

- Western Catholic Education Association (WCEA)
- Western Association of Schools & Colleges (WASC)

Either engaging in a future-forward S.T.E.A.M. program or exploring a classic literary world for the first time, growing as a teammate on our championship-caliber athletic teams, volunteering for a meaningful day of service, or participating in our award-winning visual and performing arts programs, La Salle College Preparatory's students receive the powerful mentorship and instruction that informs wonder into excellence.

Perched atop our foundation of an incredible 300 years in the making, we look to the future, inspiring and preparing our next generation of lifelong learners to leave a lasting, positive impact on their communities and on the world around them.

STUDENT LIFE

La Salle provides all students the opportunity to grow in faith, engage in service, and take active roles in the community. We offer more than 50 different student-run organizations and faculty-sponsored co-curriculars including Robotics, Speech and Debate, Academic Decathlon, Improvisation, and S.T.E.A.M. labs.

Our Student Life team develops engaging activities, retreats and service opportunities for students to engage with, in addition to planning spiritual liturgies and services.

2022-2023 LANCER HIGHLIGHTS

La Salle's **Speech and Debate** team had a successful year of competition with lots of promise in the younger members of the team. A student advanced at the California State level and 2 students advanced at the National level.

The Lancer **Academic Decathlon** team earned over 100 medals at the Southern California Private School academic decathlon and took home two division titles. Overall, the top team finished third of all private schools that competed. This past year, La Salle sent 9 students to compete at the Global Round of the World Scholar's Cup in Prague. Each of the three teams placed in the Top 10, earning them all a spot at the Tournament of Champions at Yale last November. One student scored the highest overall and ended up placing first in the entire competition.

CURRICULUM / GRADUATION REQUIREMENTS

- Over 85 UC Certified/Approved courses offered.
- Students are required to take 7 courses per year.
- Traditional A-F grading system with plus/minus. There is no A+ grade.
- GPAs are cumulative from grades 9-12 and weighted on a 4.0 scale.
- 220 units in core subjects + 55 elective units required
- 24 AP and 13 Honors courses (80% AP Exam pass rate) with weighted GPA.
- Honors and AP courses are weighted with one extra point when calculating GPA.

Lancer Athletics came out in full force, taking home five league titles, one league championship title, four MVP titles, 38 1st Team All-League titles and 28 2nd Team All-League titles. Of the 23 offered Athletic programs, 11 advanced to playoffs. A notable highlight from the year is the Girls Basketball team securing their second consecutive CIF-SS title.

In 2023, La Salle officially launched three distinct **pathway programs**, with an aim of providing even more passion-oriented student learning and engagement opportunities. These pathways include the CARLOW Center for Medical Innovation, the Center for Cinematic Arts, and the Center for Global Initiatives & Cultural Perspectives.
