

La Salle
COLLEGE PREPARATORY

San Miguel Scholarship Program

As a Lasallian school, La Salle College Preparatory is deeply committed to the mission established by our Founder, St. John Baptist de La Salle, and powerfully expressed in the statement contained in the Rule of the Brothers of the Christian Schools:

“Lasallian education strives to respond to the needs of all youth — especially those who are poor, disadvantaged, or disenfranchised — by conducting schools that are economically, academically, and socially accessible to all.”

The Scholarship

In support of this mission, the San Miguel Scholarship, named in honor of the first American Lasallian Saint, is awarded annually to up to seven incoming freshmen. This full tuition scholarship is offered to Catholic students of academic promise whose family income puts them at or below the federal poverty line. The scholarship is full tuition for four years, including waivers of all textbooks, fees, and uniforms, provided the student maintains an acceptable level of academic achievement, contributes in appropriate ways to the School community, and demonstrates financial need on an annual basis.
